OF
ELECTRICAL WORKERS
Nassau-Suffolk Counties

January 23, 2008

To Whom It May Concern:

Local Union 25, International Brotherhood of the Electrical Workers has had a long-standing relationship with Aurora Contractors, Inc. Our relationship has always been one of cooperation and team effort. We have found them to be honest and straightforward. They believe, as we do, that a well-run project produces few problems. They have always been fair and direct in dealing with any problems that may have risen and since their projects are well run. Aurora Contractors, Inc has the personnel from the top to the bottom to insure that their projects are done on time and on budget.

Respectfully yours,
