Our Brand on a Page

WHO WE ARE

Aurora is a people-first construction company. We believe that by creating transparent partnerships founded on trust and shared values we can deliver safely, on time and on budget. It's our experience creating solutions that work for every-one that makes us dependable, effective, and able to forge successful outcomes for our people, our clients, and the community at large.

WHAT MAKES US DIFFERENT

We hate surprises

We believe in pre-planning, planning and some more planning.

We make your build easier

Our job is to do yours .

We know the folks that matter

We have the relationships with local resources to get it done right.

Speed and cost are the bottom line

Sticking to the budget and timeline is critical to success.

MISSION STATEMENT

Our mission is to create long term relationships with our clients & provide exceptional customer service through innovation, planning, & dependable performance.

VALUES

CUSTOMER FOCUSED

We provide customers with tailor-made solutions and exceed expectations.

INTEGRITY

We conduct ourselves and our business with honesty, transparency and fairness, while never compromising quality or safety.

TEAM

We believe in a team culture where everyone contributes, everyone matters, and our collective strength drives results greater than any individual alone.

CONTINUOUS IMPROVEMENT

Individually and collectively, we are eager to learn, improve, and evolve. We value feedback, reflect on our actions, and learn from our experiences.

ENTHUSIASM

We relish solving problems and facing challenges with optimism, passion, and a dash of humor.
